to be undeserving of any such reward as Mr Sparkes the then Excise Comr who has recorded that it is extremely doubtful if the Inspector detected the cases himself In the face of the opinion of the then Excise Comr it is a point for consideration whether the reward recommended now should be sanctioned Such rewards should it is submitted, be sanctioned only in cases where meritorious work was done -

Under para 18 of the Reward Rules (page 118 of the Nilgiri Excise Manual) Govt sanction is necessary to the grant of a watch as reward.

4 The record shows that Mr Sparkes gave no reason for disallowing the Dy Comrs recommendation excepting that the Inspector was unreliable. This is rather vague & is apparently not consistent with the views of either the District Head or the Excise Assistant Comr of the district or the present Excise Comr.

5 The presentation of the silver watch now would be a somewhat tardy recognition

After some correspondence between the Deputy Commissioner, Shimoga District and this Office, Mr. Sparkes ordered that he did not consider the Inspector entitled to any reward.

to me for a reconsideration of the order on the subject. In view of the circumstances that the cases have ended in conviction of the accused and that no other Officer or informer has up till now preferred any claims for reward and of the following remarks of the Magistrate in one of the Judgments " The Excise Inspector has very creditably succeeded in detecting this case. He has also prosecuted some four or five cases successfully hitherto and his earnestness and zeal in the interests of the Department deserve the favourable notice of his superior Officers " and as an incentive for further good work and an encouragement to others in the detection of such cases, I support the recommendation of the Deputy Commissioner and solicit the sanction of Government to the award of a watch at a cost not exceeding Rs. 50/- to Mir Hissam ali khan, under rule 18 of the reward rules of 1902.
